Subject: Indoor smoking, including E-Cigarettes and other similar vapor devices

In accordance with Chapter 386, Florida Statutes (F.S.) – smoking and vaping within enclosed indoor workplaces is prohibited.

Currently, smoking is prohibited, in all FWC-owned, leased and managed facilities. With the passage of Senate Bill 7012, effective July 1, 2019, this includes the use of “E-cigarettes” and other similar vapor devices commonly referred to as “vaping”.

This MEMORANDUM prohibits smoking and the use of E-Cigarettes and other similar vapor devices within enclosed indoor workplaces in all Florida Fish and Wildlife Conservation Commissions owned, leased, and managed facilities.
